MOU With Techhangouts, Mohali

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

INSTITUTE OF ENGINEERING AND TECHNOLOGY, BHADDAL
AND
tecHangouts, MOHALI

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 12th day of June Month 2023 by and between.

Institute of Engineering and Technology, Village: Bhaddal, P.O. Mianpur Tehsil & District Rupnagar (Punjab)-140108, the First Party represented herein by its Registrar **Dr. S. S. Bindra**

And

tecHangouts, F - 549, Industrial Area Phase B - AMohali - 160055, Punjab the Second party, and represented herein by its Senior Counsellor - Ms. Shilpa Verma.

WHEREAS:

- A) First Party is a Higher Educational Institution named: **Institute of Engineering and Technology, Bhaddal**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intend to cooperate and focus their efforts on cooperation within the areas of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.
- D) **tecHangouts** - the Second Party is engaged in the business of App Development and Web Development.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish cooperation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall cooperate with each other and shall as promptly as is responsibly practical, relevant agreement.

MOU With KMS College Dasuya, Punjab

MEMORANDUM OF UNDERSTANDING

BETWEEN

IET BHADDAL TECHNICAL CAMPUS, ROPAR (Punjab)

AND

KMS College of IT and Management, Dasuya (Punjab)

IET BHADDAL TECHNICAL CAMPUS, ROPAR agrees to enter a formal understanding of cooperation with an envisaged intention to further the academic objectives of each institution and to promote research environment and culture amongst the faculty members and students of both the institutions.

Under this Memorandum of Understanding, the two institutions will proceed to implement the following endeavors and exchanges of ideas and personnel.

Areas of cooperation

Cooperation will be carried out subject to availability of fund and the approval of the competent authority of both the institutions, through such activities or programmes as:

- Organize Seminars/Workshops as well as Consultations on regular basis and come up with joint publications of conference volumes and books.
- Engagement in exchange and sharing of faculty and resources for the benefit of the greater academic community.
- To design effective research internship programmes for students to offer field based and first hand research experiences in relevant areas of interest.
- Arrange special lectures jointly by scholars of national and international repute on annual basis.
- To make every effort to support and promote long term teaching-research linkages between the two institutions.
- Development of research/ academic activities in key areas.
- Events collaboration to accelerate entrepreneurship and innovation.
- Academic leadership & innovation.

IET Bhaddal Technical Campus
Ropar

IET Bhaddal Technical Campus

KMS College of IT & Management

-2-

- Pursuing other mutually advantageous undertaking.
- Conducting workshop and training to students and faculty.
- Initiating activities to run innovative interdisciplinary courses.
- Exchange on best practices.
- Skills based certification courses that are left to the two parties.
- Student exchange program.
- Faculty exchange for evaluating the academics of the students.

Scope of Cooperation

The areas of cooperation include, subject to mutual consent, any programme offered at either institution as felt desirable and feasible on either side and that both sides feel can contribute to the fostering and development of the cooperative relationship between the two institutions.

This Memorandum of understanding (MoU) shall remain in force for a period of five years from the date it is signed by the appropriate officials of the two institutes. It may further be extended or amended with the written agreement of both parties.

This MoU may be terminated by either party subject to the delivery of two months advance notice, in writing.

There is no financial commitment on the part of the IET Bhaddal Technical Campus, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

MOU With CS Soft Solutions (I) Pvt.Ltd, Mohali

CS Soft Solutions Pvt. Ltd.

An ISO 9001 : 2015 & ISO / IEC 27001 : 2013 Certified Company

Ref. No.: CSS/11/2024/1005

Dated: 31st Dec 2024

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

INSTITUTE OF ENGINEERING AND TECHNOLOGY, BHADDAL
AND

CS Soft Solutions (I) Pvt. Ltd., MOHALI

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 11th day of January Month 2022 by and between.

Institute of Engineering and Technology, Village: Bhaddal, P.O. Mianpur Tehsil & District Rupnagar (Punjab)-140108, the First Party represented herein by its Registrar **Dr. S. S. Bindra**

And

CS Soft Solutions (I) Pvt. Ltd., E - 300, Industrial Area Phase 8 - A Industrial Area, Sector 75, Sahibzada Ajit Singh Nagar - 160055, Punjab the Second party, and represented herein by its Business Development Manager - Mr. Rohit Soni.

WHEREAS:

- A) First Party is a Higher Educational Institution named: **Institute of Engineering and Technology, Bhaddal**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intend to cooperate and focus their efforts on cooperation within the areas of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.
- D) **CS Soft Solutions (I) Pvt. Ltd.** - the Second Party is engaged in the business of providing industrial training.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish cooperation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall cooperate with each other and shall as promptly as is responsibly practical, relevant agreement.

Activity Report

Title	Seminar (Online)
Activity Name	Online Expert Talk on Engineering related to industries
Date	1 st Feb 2022
Duration	1.5 hours
Time	3 pm – 4:30pm
Venue	Seminar Hall Block- C
Organized By	Training and Placement Department
Coordinator Name	Mr Onkar Singh
Resource Person	Er. Rajinder Singh, Director, RADOS
No. of Participants	93 students
Workshop Detail	<p>On February 1, 2022, RADOS organized an insightful expert talk on "Engineering Related to Industries" featuring Er. Rajinder Singh as the distinguished speaker. The session aimed to bridge the gap between theoretical knowledge acquired in engineering education and its practical application in industries. Er. Rajinder Singh, leveraging his industry experience, provided valuable insights into the specific engineering skills and competencies sought by various industries. The talk covered a spectrum of topics including the current trends, technological advancements, and the evolving role of engineers in the industrial landscape. Attendees gained a practical understanding of how their academic knowledge could be effectively applied in real-world scenarios. The interactive nature of the session facilitated engaging discussions, allowing participants to seek guidance and clarification on industry-related queries. Overall, the expert talk at RADOS, led by Er. Rajinder Singh, proved to be a valuable platform for students to align their engineering education with the demands of the professional world, fostering a better understanding of the practical aspects of their chosen field.</p>

Memorandum Of Understanding (MoU)

Between

**National Institute of Electronics and
Information Technology (NIELIT), Ropar**

And

IET Bhaddal

MEMORANDUM OF UNDERSTANDING

BY AND BETWEEN

National Institute of Electronics & Information Technology, Birla Farms, Bada Phull, Ropar (Rupnagar), an autonomous scientific society under Ministry of Electronics & Information Technology (MeitY), Government of India, hereinafter called NIELIT, which expression shall, where the context so admits, be deemed to include its successors, executors and administrators of the ONE PART,

and

Institute of Engineering & Technology Bhaddal Technical Campus, Post Office Mianpur, Ropar, hereafter called IET Bhaddal, which expression shall, where the context so admits, be deemed to include its successors, executors and administrators, of the SECOND PART,

WHEREAS, NIELIT offers various Training Programmes in the field of IECT to equip the students with necessary knowledge of the key industry practices and skills to be fruitfully employed besides exposure to live projects and hands-on practical training,

WHEREAS, in the spirit of the MoU signed by NIELIT with All India Council for Technical Education (AICTE) under AICTE's Employability Enhancement Training Program (EETP) to provide competency based employability enhancement skills to the students of AICTE funded institutions through NIELIT's own 40+ Centres across the country, IET Bhaddal has expressed its keen interest and desire to train its students at NIELIT Ropar,

WHEREAS both parties have held discussions and agreed that NIELIT will impart the requisite training and award credits for the training conducted on its own, to the registered students of IET Bhaddal,

Therefore, both parties wish to conclude this Memorandum of Understanding (hereafter called "MoU") to co-operate on the activities set forth in this MoU.

A) The Objective

1. The objective of this MoU is Employability Enhancement of the students covered under the programme and to set forth the modus operandi to provide Digital Literacy mandatory training to first and second semester students, Semester/ Industrial and Summer Training in the field of IECT and all related areas by NIELIT Ropar to IET Bhaddal students with an aim to equip the students with necessary knowledge of the key industry practices and skills to be fruitfully employed besides exposure to live projects and hands-on practical training.

B) TERMS

1. NIELIT agrees to take students of IET Bhaddal for admissions to its scheduled Digital Literacy, Semester/ Industrial and Summer Training Programmes or any other Training Programme, as deemed fit, in the best interest of the students, mutually decided with IET Bhaddal, at a special discount of 20% on applicable tuition

fee(Schedule-I) only. Any other fee payable for Examination, Registration etc. will be charged extra.

2. IET Bhaddal agrees to send all its students to NIELIT Ropar for the following trainings:
 - i) First semester students from all streams on mandatory training under NIELIT's Digital Literacy Course, Course on Computer Concepts (CCC).
 - ii) Second semester students from all streams on mandatory training under NIELIT's Expert Computer Course (ECC).
 - iii) IET Bhaddal agrees to send all its students of Electronics and Computer Science Streams from 3rd Semester onwards for Semester/ Industrial and Summer Training Programmes.
 - iv) Any other training programme as deemed fit from time to time to NIELIT Ropar Campus as mutually decided.
3. NIELIT will customize the Semester/ Industrial and Summer Training programmes offered to IET Bhaddal students incorporating NIELIT's trademark strengths along with a special emphasis on Core Concepts of the technologies and an additional module covering Soft Skills.
4. The logistics of transportation of the students to and from the NIELIT Ropar Campus will be the responsibility of IET Bhaddal. If the strength of the students for a particular programme / course warrants, NIELIT faculty may visit IET Bhaddal Campus for training the students, and in such a case, IET Bhaddal will provide the requisite infrastructure to successfully conduct the training at IET Bhaddal premises.
5. The present agreement can be terminated by either party by giving a notice of three months without assigning any reason. In this regard neither party shall have any claim against the other party and its officials on account of termination of this agreement. However, the responsibilities and duties of both parties in respect of the students already registered for any of the Programs under this MoU shall not end with the termination of the agreement, and these will remain valid in totality until completion of evaluation of the already registered students and reporting of their results by both parties.
6. The Programmes offered by NIELIT under the MoU with applicable fee and other details is as per **Schedule - I**. Programmes may be added / modified / dropped as mutually agreed upon by both the parties to keep the bouquet of courses up to date with current technology / trends.
7. Commencement and duration of the programmes under the MoU will be strictly as per schedule mutually agreed upon.
8. NIELIT reserves the right to cancel registration of students not adhering to NIELIT's code of attendance and discipline.
9. IET Bhaddal may use the name / logo of NIELIT only to raise awareness about the programmes offered by NIELIT under this MoU, and only with prior permission and approval of the form of such use from NIELIT.
10. Both the parties shall indemnify and keep the other party indemnified and harmless against any and all claims, actions, proceedings by third party (including all costs, expenses, damages / losses) arising out of or in connection with this MOU

due to breach of any provisions of this MoU by such party or as a result of any act of negligence / omission or commission on part of such party and / or its employees, agents etc.

11. **Arbitration:** In the event of any difference or dispute arising between the parties in connection with or concerning the observance of the terms and conditions or interpretation thereof, the same shall be jointly resolved by Director-in-charge NIELIT RoPar and Director IET Bhaddal in a spirit of independence, mutual respect and shared responsibilities, failing which both parties shall appoint a mutually agreed arbitrator. The decision of the arbitrator shall be final and binding on parties hereto. The Arbitration and Conciliation Act, 1996 and Rules framed there under shall be applicable to the parties hereto.
12. In all matters and disputes arising hereunder the appropriate courts at Rupnagar under the jurisdiction of Hon'ble High Court of Punjab and Haryana at Chandigarh shall have the jurisdiction to entertain and try them.

IN WITNESS WHEREOF THE

Parties hereof have caused this Memorandum of Understanding (MoU) to be signed in their respective names as of the day and year first hereby above written.

Title	Webinar
Activity Name	CYBER SECURITY AND ETHICAL HACKING
Date	25 th Oct 2021
Duration	2 hours
Time	11am – 1 pm
Organized By	Training and Placement Department
Coordinator Name	Ms Shivani Ahuja
Resource Person	Mr. Raminder Singh and Mr. AkashSharan, NIELIT
No. of Participants	48
Workshop Detail	<p>On the 25th of October 2021, a comprehensive webinar on "Cyber Security and Ethical Hacking" was organized by the National Institute of Electronics & Information Technology (NIELIT), featuring expert speakers Mr. Raminder Singh and Mr. AkashSharan. The webinar aimed to delve into the critical aspects of cybersecurity and ethical hacking, providing attendees with valuable insights into the evolving landscape of digital security. Mr. Raminder Singh and Mr. AkashSharan, seasoned professionals in the field, shared their extensive knowledge on cybersecurity threats, preventive measures, and the ethical hacking practices essential for safeguarding digital assets. The session commenced with an exploration of the current cybersecurity landscape, highlighting the rising threats and vulnerabilities faced by individuals and organizations. The interactive nature of the webinar facilitated a dynamic exchange of ideas, allowing attendees to seek clarification on complex concepts and emerging cybersecurity trends. In conclusion, the webinar organized by NIELIT, featuring Mr. Raminder Singh and Mr. AkashSharan, proved to be a valuable platform for disseminating knowledge in the critical domains of cybersecurity and ethical hacking.</p>

MEMORANDUM OF UNDERSTANDING

BETWEEN

IET BHADDAL TECHNICAL CAMPUS, ROPAR (Punjab)

AND

FEROZEPUR COLLEGE OF ENGINEERING & TRCHNOLOGY

IET BHADDAL TECHNICAL CAMPUS, ROPAR agrees to enter a formal understanding of cooperation with an envisaged intention to further the academic objectives of each institution and to promote research environment and culture amongst the faculty members and students of both the institutions.

Under this Memorandum of Understanding, the two institutions will proceed to implement the following endeavors and exchanges of ideas and personnel.

Areas of cooperation

Cooperation will be carried out subject to availability of fund and the approval of the competent authority of both the institutions, through such activities or programs as:

- Organize Seminars/Workshops as well as Consultations on regular basis and come up with joint publications of conference volumes and books.
- Engagement in exchange and sharing of faculty and resources for the benefit of the greater academic community.
- To design effective research internship programmes for students to offer field based and first hand research experiences in relevant areas of interest.
- Arrange special lectures jointly by scholars of national and international repute on annual basis.
- To make every effort to support and promote long term teaching-research linkages between the two institutions.
- Development of research/ academic activities in key areas.
- Events collaboration to accelerate entrepreneurship and innovation.
- Academic leadership & innovation.
- Pursuing other mutually advantageous undertaking.
- Conducting workshop and training to students and faculty.
- Initiating activities to run innovative interdisciplinary courses.
- Exchange on best practices.
- Skills based certification courses that are left to the two parties.
- Student exchange program.
- Faculty exchange for evaluating the academics of the students.

MOU With Inforwiz, Chandigarh

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

INSTITUTE OF ENGINEERING AND TECHNOLOGY, BHADDAL
AND
Infowiz, Chandigarh

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 20th day of January Month 2020 by and between.

Institute of Engineering and Technology, Village: Bhaddal, P.O. Mianpur Tehsil & District Rupnagar (Punjab)-140108, the First Party represented herein by its Registrar Dr. S. S. Bindra

And

Infowiz, SCO 118-120, Basement, Backside Piccadilly Multiplex, Sector - 34 A, Chandigarh the Second party, and represented herein by its Director - Mr. Kamaljit Kansal.

WHEREAS:

- A) First Party is a Higher Educational Institution named: **Institute of Engineering and Technology, Bhaddal**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intend to cooperate and focus their efforts on cooperation within the areas of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.
- D) **Infowiz** - the Second Party is engaged in the business of providing industrial training

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish cooperation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall cooperate with each other and shall as promptly as is responsibly practical, relevant agreement.

MEMORANDUM OF UNDERSTANDING

BETWEEN

IET BHADDAL TECHNICAL CAMPUS, ROPAR (Punjab)

AND

LALA LAJPAT RAI INSTITUTE OF ENGINEERING & TECHNOLOGY, MOGA (PB.)

IET BHADDAL TECHNICAL CAMPUS, ROPAR agrees to enter a formal understanding of cooperation with an envisaged intention to further the academic objectives of each institution and to promote research environment and culture amongst the faculty members and students of both the institutions.

Under this Memorandum of Understanding, the two institutions will proceed to implement the following endeavors and exchanges of ideas and personnel.

Areas of cooperation

Cooperation will be carried out subject to availability of fund and the approval of the competent authority of both the institutions, through such activities or programs as:

- Organize Seminars/Workshops as well as Consultations on regular basis and come up with joint publications of conference volumes and books.
- Engagement in exchange and sharing of faculty and resources for the benefit of the greater academic community.
- To design effective research internship programmes for students to offer field based and first hand research experiences in relevant areas of interest.
- Arrange special lectures jointly by scholars of national and international repute on annual basis.
- To make every effort to support and promote long term teaching-research linkages between the two institutions.
- Development of research/ academic activities in key areas.
- Events collaboration to accelerate entrepreneurship and innovation.
- Academic leadership & innovation.
- Pursuing other mutually advantageous undertaking.
- Conducting workshop and training to students and faculty.
- Initiating activities to run innovative interdisciplinary courses.
- Exchange on best practices.
- Skills based certification courses that are left to the two parties.
- Student exchange program.
- Faculty exchange for evaluating the academics of the students.
